

Dear Future Patron:

Team TFS is looking for your support and sponsorship for our upcoming summer season and for future seasons as well. Team TFS, Inc. competes year round in all four seasons. Team TFS, Inc. has an 18 and under, 16 and under, 14 and under, and 12 and under age group teams. Players for all age groups have been selected due to their high-caliber of abilities, academics, and good character. Their desire is to further their education and life skills through fastpitch softball and our organization is dedicated to making that dream come true for them! As an organization we will provide them training, uniforms, equipment, travel, competition, and college prep guidance to further their skills as a player and a student. Training comes not only through team practice sessions, but also individual work sessions by the coaching staff. The coaching staffs for all teams are professionals and not made up of parents. The goal of all of our players is to obtain an athletic scholarship to further their education in college and learning valuable life skills. The coaching staff for Team TFS, Inc. is dedicated to helping these girls accomplish their dreams by encouraging excellence in all aspects of their lives.

To help support these goals and to help these young ladies prepare for the world ahead we need your support! Support provided by YOU will enable us to create the best environment for training that we possibly can and to travel to the best tournaments that will provide the highest level of competition for the younger age group teams and exposure to college coaches for older teams so that these young ladies may fulfill their dreams!

Team TFS, Inc. thanks you for any and all support that you can provide. If you should have any questions, suggestions, or comments, please feel free to contact me immediately. Thank you for your support!
